

The background features a vibrant, stylized cityscape at sunset. The sky is filled with large, colorful clouds in shades of purple, pink, and orange. The city below is composed of various colored buildings in shades of blue, purple, and red. In the foreground, two white, egg-shaped robots with large, glowing yellow eyes and small blue logos on their chests stand on a rooftop. They have articulated arms and legs, with their hands and feet appearing to be made of a different material, possibly metal or plastic. The robot on the right is waving its right hand.
